INTERESTS

I am a huge fan of cricket and have pursued this sport for 16 years already. I have led my secondary school, high school and also current University team as a Captain and have an unbeaten record of inter school and university leagues. A very proud achievement to have always won the league cups for my institutions. Cricket allows me to maintain complete discipline and commitment, which I have carried on to other fields of interest with determination.

LANGUAGE Skill

- Elementary in German, Native Bengali, Fluent in English, Hindi & Urdu.
